Product description: Lemon Juice Concentrate 30°B (Frozen)

Product is produced from Lemon fruit (*C. x limon*). Only sound and fully ripened fruit is used. The juice is extracted using FMC or Brown extractors, evaporated, pasteurized and filled into open head drums. The processes are closely monitored and verified to ensure the required temperature and time is achieved. Good Manufacturing Practices are adhered to.

Category: Fruit concentrate as primary product for juices, nectars and confectionary.

Product code :01LECF229(30)

Brix of 8.0 according to A.I.J.N is used for reconstitution to single strength juice.

1. Chemical and physical specifications.

Brix refractometer	29.5 – 30.5
Brix corrected	33.0 – 34.6
% Acidity (w/w) as citric acid at pH 8.1	19.0 – 22.0
Ratio	2.0
% Pulp 8.0 Brix @ 2500 rpm	5 - 9
Coarse pulp on 20 mesh	None
Recoverable oil at 8.0 Brix	<0.01%

2. Microbiological specifications

Total plate count (cfu/ml)	<500
Yeast (cfu/ml)	<100
Mould (cfu/ml)	<10
Thermophilic acidophilic bacteria (TAB) (cfu/10ml)	Absent
Heat resistant mould (cfu/20ml)	Absent
Total acidiphilic count (cfu/ml)	<10

3. Sensory specifications

Colour	Yellow / yellow-greenish
Appearance	No separation - cloudy juice
Taste/ flavour	Typical lemon, no off flavours

4. Ingredients

Lemon juice

5. Packaging

200 Lt	Open head drum with two open top blue food grade polyethylene bags or one close top food grade bag and one open top bag. Open top bags are individually tied. Drums are seal with unique numbered seals.
229 kg	Net weight per drum
245 kg	Gross weight per drum (approx.)

6. Shelf Life

Twenty-four months (unopened) at maximum minus 16°C under hygienic storage conditions.
One month (opened) under hygienic conditions <10°C.

7. Storage and transport

Store at maximum minus 16°C and lower temperature under hygienic storage conditions. Transport in clean, dry vehicles, used for foodstuffs at refrigerated temperature.

8. Labelling and traceability

Following appears on label: Product code and name, Production and Expiry date, Brix, Net and Gross weight, Supplier contact details, Country of origin, Shelf life, Storage conditions and Drum number.

9. Allergens

None

10. Vegetarian status

Suitable for: strict, lacto and ovo vegetarian diet.

11. Religious status

Kosher and Halaal

12. Genetic modified status

GMO and GMO derivatives free

13. Comply with the following legislation and standards.

Cape fruit processors will ensure the product complies with the legislation and standards of country of destination when shipped outside South Africa.
